Functional Knee Brace

Product Profile

Features and Benefits

- Our precise polycentric hinge is easy to adjust to the desired range of motion
- Extension stops at 0, 5, 15, 30, 60 and 90 degrees
- Flexion stops at 0, 15, 30, 60 and 90 degrees
- Convenient snap-on hinge covers for easy access
- Contoured straps for longer wear and convenience
- Unique tibial lock for brace stability and constant tibial force
- Standard color is black

Designed to accommodate a variety of sizing requirements, the brace can be utilized by men and women from ages 12+.

Size Guidelines

The key measurement is the thigh circumference six inches above the mid patella.

	Inches	Centimeters
Small	15.5-18"	38-44
Medium	18-22"	44-54
Large	22-24.5"	54-60
X-Large	24.5-27.5"	60-67
